

About me

I was born and raised in Caracas, Venezuela. I currently live between Boston and Miami.

I'm fluent in English, Spanish & Hebrew.

Mentoring junior producers is the most rewarding part of my job.

I have a healthy addiction to detail.

I'm passionate about my job. What excites me the most is that no two projects are ever the same.

Photography is my passion.

I type with two fingers (I'm so fast though)

Been yelled at by Rachael Ray at a shoot ... and I didn't cry!
